

sedia systems 

Leading Manufacturer of Fixed Seating Solutions

Sedia Systems has been providing educational institutions with innovative and distinctly designed lecture hall and auditorium furniture since 2004. With close attention to detail and cutting-edge design techniques, Sedia Systems sets itself apart from other manufacturers and creates truly innovative learning spaces.

Through a collaborative process that includes end-users, faculty, architects, and designers, Sedia Systems helps E&I members achieve thoughtfully planned spaces focused on improving educational outcomes.

Contract Highlights:

- **Seating Solutions:** innovative fixed seating solutions that differentiate learning environments
- **Auditorium & Arena Installations:** furniture that combines form and function
- Dedicated service and support from a team that understands education
